

TAKING STOCK OF YOUR READING BEHAVIOR

How to read academic texts?

Where and when do you read?

Do you read texts in different ways? If so, can you give examples?

In which languages do you read texts? Are there differences in reading depending on the language?

In which phases of a writing project do you read specialized/ academic texts?

What do you do with new information on and/or from specialized/ academic texts?

Which activities contribute to your comprehension process?
